

# IAC Contest Sanctioning Committee Report

## Fall 2025

### Jury Protest Forms

Contest Directors occasionally fail to submit jury protest forms along with the rest of the contest paperwork. It's important that all the contest paperwork is sent in in a timely manner.

### Rule Deviations granted in 2025

The Committee granted two Rule Deviations this year:

#### **NorCal Classic Aerobatic Contest – Tracy, CA**

Unlimited low altitude limited to 500 feet AGL due to waiver constraints.

#### **Hammerhead Round-up – Borrego Springs, CA**

Exception to rule 24.1(a): Sportsman competitors who have previously finished a Sportsman competition using a Free program and scoring at least 75% overall may optionally fly a different Free sequence (provided by the organizers) in the Unknown program than the Free Sequence they flew in the Free Program.
