

ARE YOU **PASSIONATE**
ABOUT AEROBATICS?

JOIN the **IAC!**

Membership means — Education,
Competition, Safety, and Camaraderie

If you've dreamed of flying in 3D, join us and experience one of the most exciting sports in the world. Aerobatics teaches you to perfect and refine your flying skills to become a highly proficient pilot.

Share your passion with others. The IAC has more than 40 chapters which sponsor regional aerobatic contests as well as practice days and other events that are open to all IAC members. Find a chapter near you online at **www.IAC.org**.

MEMBERSHIP BENEFITS

Sport Aerobatics magazine and In The Loop e-newsletter

Receive 12 issues of *Sport Aerobatics* magazine and *In the Loop* e-newsletter, which are important resources for those interested in competition and recreational aerobatics as well as emergency maneuver training and other safety topics.

IAC Website

Sign in to the Members Only section of the IAC website (www.IAC.org) and keep up to date on the latest in IAC programs, events, government regulations, special member discounts and more.

Local Chapters

As a member of IAC, you'll be invited to join one of IAC's local chapters where you can meet with fellow members who serve as a great resource of know-how, camaraderie, and support.

Competitions

Participate in regional and national competitions and practice sessions. Take part in grassroots recreational aerobatics to gain education and experience for improving your flight skills.

IAC Collegiate Program

If you or a member of your family is a full-time undergraduate student currently enrolled in college courses or an aviation program, you could qualify for the IAC Collegiate Program. **Learn more at www.IAC.org.**

EAA Affiliation

As an IAC member, you'll receive benefits such as free admission to the EAA Aviation Museum, 40% off admission to EAA® AirVenture® Oshkosh™, 12 issues of *EAA Sport Aviation* magazine, and much more.

Insurance Plan

The IAC Insurance Plan is offered to all IAC members and provides broader and enhanced coverage at an excellent price.

Government Representation

Questions on community and other government related concerns are answered for you through our Government Relations Committee and a partnership with the EAA advocacy and safety department.
