

How to sign up to receive updates via text message at Nationals:

This year we are using a different system for updates and schedule changes onsite. Twitter will NOT be used. There will not be any announcements shared via twitter. To receive updates this year please read these instructions and follow link below and select the category that pertains to you.

You will also be asked for your first/last name along with your cell #. Please only submit your cell#, that is where all updates will be texted to.

By selecting the category that pertains to you there will be less updates received that don't pertain to you. So, less texts...less dings from your cell all day....great news!

All 5 Flying Categories are listed, please select the category you will be flying at Nationals AND do process again selecting volunteer 2019.

By selecting the category you are flying you will receive all updates that pertain to that category, by selecting volunteer 2019 you will receive all updates that pertain to judges line announcements and general contest announcements.

After each category selection you will receive a text to confirm your selection, text will ask you to reply yes to complete sign up process.
