Proposer Rationale	The proposal was initiated after the limitation of a roll following a spin was found to constrain Free Unknown figure options at the 2026 IAC Nationals. As it is now we can't put a roll after a spin on a double humpty. The footnote places a limit of one Family 9 roll on each vertical line. This is the only base figure that has this limitation – Appropriate Single Lines, Two-Lines, P-Loops and single Humpty base figures allow rolls following a spin. This change will bring consistency to the rules and increase the diversity of options in figure selection for Free Unknowns.
