

Mark Fullerton Memorial Bear Creek Bash

Contest Procedures

1. Do not park on a ramp directly in front of FBO. This is a very busy area with potential jet traffic.
2. Keep self serve station clear of aircraft when not actively refueling.
3. Tie down in CONTEST DAYS ramp. Categories will be starting at CONTEST DAYS ramp. Be mindful of **prop blast**. Prior to start, push airplane onto paved surface and turn to avoid damaging other aircraft.
4. Always put **bottle on slop tube** while parked on ramp or lucky enough to be in a hangar.
5. Tech inspection and waiver review/signature required before box practice.
6. Sign up for only one box slot at a time.
7. **Box** frequency is **129.55**.
8. Ground monitor required on **CTAF, 122.725** during box practice, pilot's responsibility.
